Space and Naval Warfare Systems Center Awards Contract

CHARLESTON, S.C. — AMSEC, LLC, Virginia Beach, Va., was awarded April 27, 2006, an estimated \$58,928,649 indefinite- delivery/indefinite-quantity, cost-plus-incentive-fee with an option for fixed price orders, performance based contract to provide sea enterprise C4ISR support services for installation, material acquisition, system/equipment modification, test and checkout, systems training and documentation preparation. This contract includes four 1-year options, which, if exercised, would bring the estimated cumulative value of the contract to \$312,860,199. The work will be performed in San Diego, Calif. (85 percent) and miscellaneous locations including: public/private shipyards and numerous sites in the continental U.S. and overseas (15 percent) and is expected to be completed by April 2007 (April 2011 with options). Contract funds will not expire at the end of the fiscal year. The contract was a competitively procured under full and open competition. The request for proposal was posted on the SPAWAR Systems Center E-Commerce website and two offers were received. The Space and Naval Warfare Systems Center, Charleston, S.C., is the contracting activity for this action (N65236-05-D-8849).
